

Advanced Level (C1–C2)

■ Duration	2.5 Months
■ Level	Advanced

■ Program Overview

This advanced program is designed to develop high-level communication skills required for professional, academic, and global environments. It focuses on personality development, confidence building, and mastery of fluent and impactful English communication.

■ Key Learning Areas

- ✓ Public speaking and presentation skills
- ✓ Professional and workplace communication
- ✓ Interview preparation strategies
- ✓ Group discussions and debate techniques
- ✓ Accent refinement and fluency polishing
- ✓ Advanced vocabulary and expression

■■■ Best Suited For

Professionals and students preparing for international education or career opportunities who want to achieve advanced fluency and confidence.

■ Learning Outcome

Students will be able to communicate with confidence, clarity, and professionalism in academic and workplace environments, deliver presentations effectively, and participate in high-level discussions.

■ Note: Confirm timings and fees at the office.
