

## Foundation Level (A1–A2)

■ Duration	2 Months
■ Level	Beginner

### ■ Program Overview

This level focuses on strengthening the grammatical foundation while helping students develop confidence in speaking. The course emphasizes real-life communication, structured sentence formation, and practical usage of English in daily situations.

### ■ Key Learning Areas

- ✓ Core grammar and sentence construction
- ✓ Practical vocabulary for daily communication
- ✓ Basic conversational skills
- ✓ Self-introduction and routine-based speaking
- ✓ Question formation and response techniques
- ✓ Guided speaking practice for confidence building

### ■■■ Best Suited For

Students with basic knowledge of English who want to start speaking fluently and improve their confidence in communication.

### ■ Learning Outcome

Students will be able to communicate effectively in everyday situations, form correct sentences, and participate in basic conversations with improved confidence.

■ Note: Confirm timings and fees at the office.
